

WHEREAS; multiple system atrophy (MSA) is a rare, degenerative neurological disorder that affects the body's involuntary functions, like breathing, muscle control, and blood pressure; and

WHEREAS; the National Institute of Neurological Disorders and Stroke estimates that between 15,000 and 50,000 Americans are affected by MSA, including many Wisconsinites; and

WHEREAS; symptoms of MSA typically develop in adulthood and include problems with balance, coordination, gait, bladder and bowel functions, speech, swallowing, and breathing; and

WHEREAS; a multidisciplinary approach to MSA care includes physical, psychological, and financial support for patients and caregivers, including support groups; and

WHEREAS; while there are medications that treat symptoms and some clinical trials underway for the development of improved treatments, MSA currently has no cure; and

WHEREAS; this month, the state of Wisconsin joins Multiple System Atrophy patients and advocates in raising awareness about the disorder to improve care for patients, encourage accurate diagnoses, and help raise funds for research that will lead to treatments with fewer side effects and, ultimately, a cure;

NOW, THEREFORE, I, Tony Evers, Governor of the State of Wisconsin,
do hereby proclaim March 2021 as

MULTIPLE SYSTEM ATROPHY AWARENESS MONTH

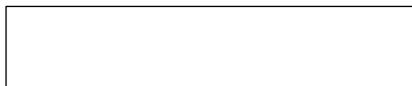

throughout the State of Wisconsin and I commend this observance
to all our state's residents.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Wisconsin to be affixed. Done at the Capitol in the City of Madison this 3rd day of March 2021.

TONY EVERS, Governor

By the Governor:

DOUGLAS LA FOLLETTE, Secretary of State
